Did You Ever Devote an Entire Day to Digging Post Holes?

PROBABLY YOU HAVE—AND MORE THAN THAT. In looking back over your day's work, you will find that you have accomplished something, be it the digging of post holes or the useful exertion of our energy in some other direction.

Your day's "showing" lies not in the amount of work, but in the amount of holes.

With the Blue Grass you can with the same amount of labor accomplish far greater results—dig more holes—because it has the stiffest blade and cuts the deepest hole with the least expenditure of hands—and least exertion.

The handles are hickory, the frame malleable iron, the blades OCTAGON shaped FORGED steel.

The Blue Grass has so many good points over any other Post Hole Digger, that we'd really want you to try it. There's always a little plot of ground around our premises available for the purpose.

BAPTIST MINISTER
SAYS NERVILAX IS
A GOOD MEDICINE

Rev. H. M. Hendricks, Minister Wells, W. Va., Recommends Fine Remedy.

Rev. H. M. Hendricks, well known Baptist minister of Mineral Wells, W. Va., is another friend of Nervilax. He thinks it is a good medicine and states it has greatly helped him. He was a sufferer from gas on the stomach, headache, constipation, kidney, liver and stomach were in bad shape. He was nervous, could not sleep, had dizzy spells and his general health was run down. In a letter dated March 4, Rev. Mr. Hendricks makes the following statement:

"I think Nervilax is the best medicine I ever took for my stomach, kidneys, liver and bowels. I have taken lots of other medicines, but Nervilax certainly reached the base of all my ills. I have taken but one bottle of this excellent medicine and am greatly improved in health. I am now trying my second bottle and believe it will cure me. My wife was also a sufferer as I was. She took the contents of a sample bottle of Nervilax and we are satisfied with the results—because it has reached her case as well as mine. We expect to continue the treatment until cured."

Signed, REV. H. M. HENDRICKS, Minister Wells, W. Va.

Nervilax is not a new remedy, but has been on the market for the past three-quarters of a century. It has always given satisfactory results and is being prescribed by reputable physicians throughout the country. A trial bottle will convince you of its merits. Nervilax is on sale at all first-class drug stores throughout West Virginia and can be purchased from the Grand Drug Store, Adv.

Funeral services were held at his home last Sunday morning at half-past ten o'clock by Rev. G. W. White, of Morgantown. Interment was made on his home farm. Undertakers Jenkins and Brown in charge.

Harvey Musgrave was calling at Will Snider's Sunday.

Nearly \$70,000,000,000 represents the wealth in arms and their equipment, a sum equal to the total capital of any three other major industries.
